

# Blue Sky Blues

Ryan Adams

Blue sky when you gonna learn to rain?  
And let yourself go blue for once  
And let go of the weight you've been carrying  
In this house, no one goes to sleep for days,  
Its like were working on a mountainside  
Trying not to slide,  
Into the ocean,

I can take care of you  
But only if you want  
Imp strong enough to carry you  
Across the icy lake, across the icy lake  
But I cant fight your blues,  
Cause I know I'll lose  
What's left of my mind  
I cant win,  
But for you I will try  
My baby blue

My mountain is hidden in a pile of trees  
And its the one I'll have to climb,  
If I ever wanna see,  
Over the ocean  
Blue sky  
When you gonna learn to rain?  
And let yourself go blue for once  
And let go of the pain?

You can take care of me  
The way I'd like to feel  
Underneath the riverbed  
Across the icy lake, across the icy lake  
But I cant fight your blues  
Cause I know I'll lose  
What's left of my mind  
I cant win,  
But for you I will try  
For you  
My baby blue
