

# Do You Still Love Me?

Ryan Adams

I've been thinking about you, baby  
You've been on my mind  
Why can't I feel your love?  
My heart must be blind

What can I say?  
I didn't want it to change  
But in my mind  
It's all so strange

Do you still love me, babe?  
Do you still love me, babe?  
Do you still love me?

Another year will pass  
I will count the days  
Another sun goes down  
And I'll never see the rays

What can I say?  
I didn't want it to change  
Is my heart blind  
And our love so strange?

Do you still love me, babe?  
Do you still love me, babe?  
Do you still love me?

Do you still love me, babe?  
Do you still love me, babe?  
Do you still love me?
