

I See Monsters

Ryan Adams

Baby, I know you cannot hear me now
'Cause you're fast asleep
But I love you now
Colors inside your head go spinning around
Like a ferris wheel
Exploding and falling to the ground
Oh, people are screaming, people are screaming
My baby, she's dreaming
Oh, people are shouting, people are freaking
I'm just staring at the ceiling
Waiting for the feeling
Oh, oh but when she calls,
I know she's the one
Makes me want her harder
Makes me want to be a little stronger
Still I see monsters
Still I see monsters

Baby, I know you cannot hear me now
'Cause you're flying around
At the speed of sound
Colors inside your head go spinning around
Like a ferris wheel
Exploding and falling to the ground
Oh, people are screaming, people are screaming
My babies, she's dreaming

Oh, people are shouting, people are freaking
I'm just staring at the ceiling
Waiting for the feeling
Oh, oh when she calls
I know that she's the one
Makes me want it harder
Makes me want to be a little stronger
Still I see the monsters
Still I see the monsters
