

Jesus (Don't Touch My Baby)

Ryan Adams

In California
Forever summer and hot
Into the ocean
You're smiling a lot
On sandy beaches
And the blankets are hot
You're in my arms
And I kiss your heart
Jesus, don't touch my baby
Jesus, don't touch my baby
Jesus, don't touch my baby
She's all that I got

Reflections coming
In through the sheets
You love your baby
are sweet
Out on the highway
We ride tonight
Jesus don't know you
He was just saying "Hi"
Don't touch my baby
Jesus, don't touch my baby
