

## Kindness

Ryan Adams

If you're so kind  
Can you let down your hand  
Can you let down your hand  
If you're so kind  
If you're so strong  
Can you shelter the weak  
Will you listen as the strangers speak  
Bring them calm

Kindness don't ask for much  
But an open mind  
Kindness can cure a broken heart  
Honey are you feelin' kind  
Do you believe in love  
Do you believe in love

If you're so kind  
Can you let down your hand  
Will you try and understand  
When it goes wrong  
Days come and gone  
And it's been said and been done  
I will shelter you with my love  
And my forgiveness

Kindness don't ask for much  
But an open mind  
Kindness can cure a broken heart  
Honey are you feelin' kind  
Do you believe in love  
Do you believe in love

Kindness don't ask for much  
But an open mind  
Kindness can cure a broken heart  
Honey are you feelin' kind  
Do you believe in love  
Do you believe in love
