

No

Ryan Adams

No silence, no sound
No feeling
On and on, and on, and on
I go under and down again
And on, on and on

No pressure, no talk
No heartbeat
R-E-S-P-O-N-S-E
I go under and down, again
And on, on and on

Something is wrong, something is wrong
Something that was making me feel good is not
Something is wrong, something is wrong
Something that was making me feel good is not
It's not (9x)
Nobody understands it's all I got

No violence profound
As violent, I act out against myself
And I go under and down again
And on, on and on

No wonder I fell
Nobody was underneath me there to catch me
I go under and down, again
And on, and on, and on!

Something is wrong, something is wrong
Something that was making me feel good is not
Something is wrong, something is wrong
Something that was making me feel good is not
It's not (9x)
Nobody understands it's all I got

So liar stand up!
So liar stand up!
Stand up!
