

# Wildest Dreams

Ryan Adams

She said, "Let's get out of this town  
Drive out of this city, away from the crowds"  
I thought, heaven can't help me now  
Nothing lasts forever  
But this is gonna take me down

She's so tall and handsome as hell  
She's so bad, but she does it so well  
I can see the end as it begins  
My one condition is

Say you'll remember me  
Standing in your nice dress, staring at the sunset  
Red lips and rosy cheeks, say you'll see me again  
Even if it's just in your wildest dreams  
Your wildest dreams

I said, "No one has to know what we do"  
Her hands are in my hair, her clothes are in my room  
Her voice is a familiar sound, nothing lasts forever  
But this is getting good now

She's so tall and handsome as hell  
She's so bad, but she does it so well  
And when we've had our very last kiss  
My last request is

Say you'll remember me  
Standing in your nice dress, staring at the sunset, baby  
Red lips and rosy cheeks, say you'll see me again  
Even if it's just in your wildest dreams  
Your wildest dreams

You see me in hindsight  
Tangled up with you all night  
Burning it down  
Someday when you leave me  
Bet all these memories will follow you around  
Will follow you around, 'round

Say you'll remember me  
Standing in your nice dress, staring at the sunset, babe  
Red lips and rosy cheeks, say you'll see me again  
Even if it's just in your wildest dreams  
Your wildest dreams  
Say you'll remember me  
Say you'll remember me
