From a rope my heart is hanging, water rises on a lonely soul,

My bluebird, my bluebird wing can fly above it all,

My bluebird will help me stand and be strong,

My bluebird, my bluebird will never beg upon a knee,

My bluebird, my bluebird knows I need to believe

I'm down on the river baby, but I'm stuck on the other side lov e,

From a rope my heart is hanging, water rises on a lonely soul, And I'll take my chances breathing, ain't never gonna hold my b reath,

My bluebird, my bluebird will catch me just before the fire
