

# Tell My Mother I Miss Her So

Ryan Bingham

Take me to see the voodoo queen  
Let her put a spell on me  
A little bit of change will ease my pain  
Gonna set a young man free  
'Cause I've been down through your hometown  
And all across your distant land  
One thing's for sure, honey, I'll be gone  
Tell my mother I miss her so  
Oh, take me to France, watch me dance  
Let me drink that wine  
Spinnin' around a dark haired girl  
Havin' us a good old time  
'Cause I've been down through your hometown  
And all across your distant land  
One thing's for sure, honey, I'll be gone  
Tell my mother I miss her so  
Tell my mother I miss her so  
Oh, when you can the medicine man  
Will let a feather set me free  
Out on the range outrunnin' them trains  
You're never gonna see me leave  
'Cause I've been down through your hometown  
And all across your distant land  
One thing's for sure, honey, I'll be gone  
Tell my mother I miss her so  
Tell my mother I miss her so  
Tell my mother I miss her so  
Oh, tell my mother I miss her so  
Oh, take me to see the voodoo queen  
Let her put a spell on me  
A little bit of change will ease my pain  
Gonna set a young man free  
'Cause I've been down through your hometown  
And all across your distant land  
One thing's for sure, honey, I'll be gone  
Tell my mother I miss her so  
Tell my mother I miss her so  
Oh, tell my mother I miss her so  
Tell my mother I miss her so  
Oh, tell my mother I miss her so  
Tell my mother I miss her so
