

Our Story

Ryan Cabrera

This time I'll
Think of brighter days
Where I'm falling deep
Deep inside our story
I'm counting on
Something I can feel
I won't fall asleep
'Cause even if I'm hurting
I'm waitin' on the one for me

It's a good day for me
It's a good day to take a chance
And let you in and see
Exactly who I am
And if you understand me
And if you can roll with it
I will be your man

Around me lies
But no one seems to mind
I can't change time
For anyone to show me

That love is real
You know I'll find a way
I won't be scared
To let her in and love me
Is there anyone in love with me

It's a good day for me
It's a good day to take a chance
And let you in and see
Exactly who I am
And if you understand me
And if you can roll with it
I will be your man

It's a good day for me
It's a good day to take a chance
And let you in and see
Exactly who I am
And if you understand me
And if you can roll with it
And let you in and see
Exactly who I am
And if you understand me
And if you can roll with it
I will be your man
