It's impossible! R. Les! (Oh Yeah!)
And this time it's all or nothin (I said it's real! Ohhhhhh! Yeah!)

I'm a take ya ten rounds like a boxer baby
Show you how I put it down with rocks on lady
Promise ya ask ya when I'm done for more
I'm a switch it up and make life comfortable
I'm a be the reason your not sleepin baby
I'm a invade the thoughts you keepin baby
If your still not convinced I'll tell you more
Make you forget the way you felt before
Uh Oh! I can be your wake up reason daily
You could be my first and leadin lady
I'm a make you happy that you waited, for me to settle down
Uh Oh! I'm ready and I'm not afraid to say it
I'm tired of the game already played it
I'm over all them other girls I dated
I'll tell you what you are

Your my diiiiiiiamond girl
Your the one, I put the rock on
Your my diiiiiiiamond girl
Your the one that I quit the game for
Your my diiiiiiiamond girl
Your the one, I put the rock on
Your my diiiiiiiamond girl
Your the reason I quit the game for

I can't explain just how much you shine
Give me your heart I'll give you mine
I'm puttin my future on the line
Baby it's just you, and I!
From this day on let's make a deal
I'll stay true you keep it real
Don't be shy 'bout how you feel
Baby don't be shy! HEY!

You could be my first and leadin lady
I'm a make you happy that you waited, for me to settle down
