Time is runnin' out  
Please don't make me wait  
I'm all alone  
I'll stab a day  
Lost and love a ghost  
Lost all alone  
It's another lost one  
You stay gone  
Pissed on a wall  
Hit it in the face  
I don't wanna go  
I'll stab a day  
Lost and love a ghost  
I'll stab a lay  
Let's boogaloo la  
It's all day

I'll date you  
I'll take you on a date, yeah  
I'm telling, I'll date you  
I'll take you on a lovely date  
Lovely date  
And I'll date you  
I'll take you on a day date  
And it's a lovely day  
Lovely day  
Lovely day

I see your body lighting up in the moonlight  
As a ghost story you jump in the moonlight  
I wanna feel you in the dark when I do right  
Do right right there, yeah  
As a ghost story you jump in the morning,  
I signal, I want that by all means  
I signal you, and you got where I want that  
Want that right there, right there

Time is runnin' out  
Please don't make me wait  
I'm all alone  
I'll stab a day  
Lost and love a ghost  
Lost all alone  
It's another lost one  
You stay gone  
Pissed on a wall  
Hit it in the face  
I don't wanna go  
I'll stab a day  
Lost and love a ghost  
I'll stab a day  
Let's boogaloo la  
It's all day

I'll date you  
I'll take you on a date, yeah  
I'm telling, I'll date you

I'll take you on a lovely date  
Lovely date  
And I'll date you  
I'll take you on a day date  
And it's a lovely day  
Lovely day  
Lovely day

You know I want you right there  
Said I want you bay, hey baby  
You know I want you right there  
Right there, ooh  
You know I want you right there

And it's a lovely day  
Lovely day  
Lovely day
