

It's Love (That I Feel)

Ryan Leslie

You're the shooting star,
On my darkest night,
And when I'm with you I feel assured that everything's right.
You're my source of hope,
And the air I breathe,
And the love you give is the greatest gift I've ever received.

And I hope it's not too hard to understand,
That the reason why I live is to be you're man, Ooh Yeah

Said It's love,
That I feel,
When I'm with you (when I'm with you)
When I'm with you,
Said its love (true love),
That I feel (that I feel),
When I'm with you (when I'm with you),
When I'm with you (with you).
Yes it's love.

Yeah without you,
I know I'd be lost (so lost)
I give you what you need now baby,
No matter the cost,
And I know sometimes,
It maybe hard to understand the way I feel deep inside my heart,

And I hope that it's not wrong that I made plans,
To devote my life to you as you're man,
Ooohhh

Said It's love,
That I feel,
When I'm with you (when I'm with you)
When I'm with you,
Said its love (true love),
That I feel (that I feel),
When I'm with you (when I'm with you),
When I'm with you (with you).
Yes it's love.

And you know it's love,
And I know it's love,
Ooh Love,
It's Love
I know that its love
Love, love, love, ohh love, ohh love, ohh love,
I know that its love, love (its love),
I know that its love, love. Love
