Though I think I must have been blind for ya  
Almost lost my mind for ya  
Tell myself I would die for ya

All weekend. (yeah)  
Guess Thats your decision, You should  
Think about what your missin  
All day, all night.  
When its the right time  
Imma find my baby.  
Yeaah (uh)  
And to thinking like all day all night  
If its the right time imma find you Baby  
(Yeaah)

So I get the finest clothes I can find on retail  
And I try to pay attention to every single detail  
I just wanna girl that still looks good without make up  
And when I find her I Promise I will never break up  
Never gonna break up (nooh nooh)

All this time I lost on you  
Played it cool mention to floss on ya  
Had a few girls I turned down

Hoping that your loneliness burns for me  
Cause im ok now  
Gimme time ima show you  
How to get down
