

## Ready (To Love U)

Ryan Leslie

Baby girl, this could be the start of something real  
Somethin' in the way U make me feel  
Got me thinkin' bout U all the time, baby  
And I know, know U might have heard this all before  
But I'ma do my best this time to show  
I'd give U the world if U were mine, baby

And it really doesn't matter  
How many times I've told U  
U know you've got my heart girl  
It's time for me to show U  
I know that U deserve it  
Just look how long you've waited  
So I'ma make it worth it  
For you to be my lady  
'Cause I'm ready to love U

Girl, I'm ready  
And whatever U wanna do, we can do 'cause I'm ready  
I know I'm ready  
I'll give U what you've waited for, girl and more, 'cause I'm ready  
Girl, I'm ready  
I know you've been hurt before but  
I'm ready  
U ain't gotta hurt no more  
I know I'm ready  
For the commitment that U need from me  
I'm ready to love you

I see the hesitation in your eyes  
I see the way that you've been hurt by lies  
But I ain't go no reason girl to lie to U, no  
I'm try'na come as real as I can be  
'Cause you're the only one that counts to me  
The only one that makes me feel this way, this way

There's nothin' that I wouldn't do for U  
Hey U deserve it when I love U down  
You're the sweetest thing I've found  
Girl there's nothin like when U smile at me  
That's why there's nothin' that I'd rather do  
Girl I'm ready to love U
