

When The Beat Stop

Ryan Leslie

Something about the way you stare
It makes me wanna take it there
Something about the things you do
Makes me wanna get right with you

Can I get to know ya
Are you single baby
If you're not too busy
Can we hook up later

Where ya gonna be
When the beat stop
Are you following me
When the beat stop
Where ya gonna be
When the beat stop
Are you coming with me
When the beat stop

I can tell by the way you smile ya
Want to give me a chance to dial ya
Don't be afraid to show me
Just how much you want to know me

Something about your attitude
Makes me wanna be mad at you
But I can't seem to let it go
Baby I just got to know
