

Absolutely Perfect

Ryan Malcolm

Sometimes we don't, haven't a clue, what we are doin'
We fumble around out in the wind like a piece of paper

I had a picture of what this love was about, yeah
It's somehow different than what I'm looking at
Sometimes we want what we don't need but here's the truth, I ne
ed you now,
Not always right not always roses, yeah it's absolutely prefect
, absolutely perfect yeah

We make a turn, a stupid mistakes, that's just the beauty
'Cause nothing of worth comes where your life doesn't go throug
h it

I had a picture of what this love was about, yeah
It turned different than what I'm looking at
Sometimes we want what we don't need but here's the truth, I ne
ed you now,
Not always right not always roses, yeah, it's absolutely prefec
t, absolutely perfect ooo
absolutely perfect, absolutely perfect
absolutely perfect, absolutely perfect
absolutely perfect, absolutely perfect
absolutely perfect, absolutely perfect yeah

Sometimes we don't, haven't a clue, what we are doin'
We fubmle around out in the wind, like a piece of paper

[Chorus]
