

Don't Dream It's Over

Ryan Malcolm

There is freedom within, there is freedom without,
Trying to catch the deluge in a paper cup
There's a battle ahead, many battles are lost,
But you'll never see the end of the row while you're travelling
in here

Hey now, hey now, don't dream it's over,
Hey now hey now,
When the world comes in, it comes,
It comes to build a wall between us, we know they won't win

Now I'm towing my car, there's a hole in the roof,
My possessions are causing me suspicion but there's no proof
In the paper today tells of a war in a ways,
But you turn it right over to the T.V. page

Now I'm walking again, to the beat of a drum,
And I'm pounding the steps of the door of your heart
Only shadows ahead, barely clearing the roof,
Get to know the feeling of liberation and relief

[Chorus]
