

Last Train Home

Ryan Star

You haven't changed.
Stand in the light,
I need to see you,
Uncover my eyes.

The tears coming down,
Making lines on your face.
One for each year, now
That you've been away.

We were only kids,
We ran like water.
Your dad said,
Stay away from my daughter.
The sun was coming down when I said,
Can't you just believe?

And if you wait for me,
I'll be the light in the dark
If you lose your way.
And if you wait for me,
I'll be your voice
When you don't know what to say.
I'll be your shelter,
I'll be your fate.
I'll be forever,
Wait for me.

I'll be the last train,
I'll be the last train home.

You were a storm,
It blew us away.
I wouldn't leave you
But you couldn't stay.

We were only kids,
We ran like water.
Your dad said,
Stay away from my daughter.
The sun was coming down when I said,
Can't you just believe?

And if you wait for me,
I'll be the light in the dark
If you lose your way.
And if you wait for me,
I'll be your voice
When you don't know what to say.
I'll be your shelter,
I'll be your fate.
I'll be forever,
Wait for me.

I'll be the last train,
I'll be the last train home.

We were only kids,
We ran like water.
I told your dad,
I love your daughter.
The sun was coming down when I said,
Hallie, just believe.

And if you wait for me,
I'll be the light in the dark
If you lose your way.
And if you wait for me,
I'll be your voice
When you don't know what to say.
I'll be your shelter,
I'll be your fate.
I'll be forever,
Wait for me.

I'll be the last train,
I'll be the last train,
Hold on to love,
And wait for me.

I'll be the last train,
I'll be the last train home.

I'll be the last train,
I'll be your last train home.
