## We Might Fall

We should go to sleep now, You should stay the night I'll be up to watch the world around us live and die Lying on the grass now, dancing for the stars Maybe one will look on down and tell us who we are We might fall, we might fall, we might fall, Hallie we might fa 11 We might fall, we might fall, we might fall, Hallie we might fa 11 I could join the circus, and you could sell your hair I could learn to walk the line or learn to train the bears Tell me are we crazy, did you like the cold Tell me are you comfortable if comfortable at all We might fall, we might fall, we might fall, Hallie we might fa 11 We might fall, we might fall, we might fall, Hallie, we might f all Now that we are older, I remember you. Reaching out to show me all the things that I must do Now that we are older, I remember youth, now that we are close to death and close to finding truth We might fall, we might fall, we might fall, Hallie we might fa 11 We might fall, we might fall, we might fall, Hallie we might fa 11 Sha-la la, sha-la-la, sha-la-la oh hey now Sha-la-la, sha-la-la, sha-la-la, oh hey we might fall, hey now, fall
