

# Obsession

Ryan Tedder

Woah (2x)

Listen up I'm gonna' tell you bit about myself  
I got a situation, ain't concerning nobody else  
Just you and what you can do for me  
(Ooh)

I had the life of ordinary, I spat it out  
Now my condition's kind of scary, I need you now  
Not love but I need something else

So here's my confession (This time x2)  
Don't just want you to love me  
I want to be your attention (This time x2)  
Want my name on the Marky

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession  
(Whoa)

I'll fake sick, shy until you never let me go  
So I can be your addiction in the stereo  
I could be, just your type of high  
(I can give what you like)

Your talkin' bout' the narcissist, it means, in Hollywood  
I'm lovin' myself, the word I need's for you to feel good (Let's go)  
Let the music just take control

So here's my confession (This time x2)  
Don't just want you to love me  
I want to be your attention (This time x2)  
Want my name on the Marky (Whoa)

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession (2x)

Whoa (3x)

Ain't nothing wrong with OCD  
Long as it's for me, long as it's for me

Ain't nothing wrong with OCD  
Long as it's for me, long as it's for me

Here's my confession (This time x2)  
Don't just want you to love me  
I want to be your attention (This time x2)  
Want my name on the Marky (Whoa)

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession  
I want to be your Obsession  
Oooh
