

# Shadows

Ryan Tedder

Still lingers  
Just waking up  
I see a shadow of you  
Making breakfast for two  
I go driving  
Past our place and  
I see this girl walk by  
I smell her perfume  
For a moment I wish it was you  
I'm not gonna tell you  
I'm not gonna say that I'm okay, no  
I'm tryin' to get over  
I'm tryin' to get far away from our mistakes

But I see shadows  
Everywhere that I go  
It's you, reminding me  
Of how we were  
Of how it was  
I see shadows  
Everywhere they follow  
It's you and memories  
If how we loved  
I've had enough of your shadows

Four months gone  
I can't feel you  
I don't understand it  
Where did you go?  
I hate that you're all that I know  
I'm not gonna tell you  
I'm not gonna say that I'm okay, no  
I'm tryin to get over  
I'm tryin' to get far away from our mistakes

But I see shadows  
Everywhere that I go  
It's you, reminding me  
Of how we were  
Of how it was  
I see shadows  
Everywhere they follow  
It's you and memories  
If how we loved  
I've had enough of your shadows

I see shadows  
You couldn't love me  
So why won't you leave me  
Shadows  
Alone is the only place I want to be

I see shadows  
Everywhere that I go  
It's you, reminding me  
Of how to love  
I've had enough

I see shadows  
Everywhere they follow  
It's you, the memories  
Of how we loved  
I've had enough

I see shadows  
Everywhere that I go  
It's you, reminding me  
Of how to love  
I've had enough  
I see shadows  
Everywhere they follow  
It's you, the memories  
Of how we loved  
I've had enough your shadows

It's you, the memories  
Of how we loved  
I've had enough of your shadows  
Your shadows  
Your shadows
