

The Look

Ryan Tedder

Is it possible maybe to have a love so strong
That nothing could ever compare
I'm holding back nothing just for the look in your eyes
So baby don't be surprised

Well I want to know what makes your world go round
And I want to hear your voice for the sound
A love that defines all I've had in mind
Now I'm holding back nothing for the look in your eyes

Impossible, maybe, but worth one last try
I'm waiting on your reply
I'm sitting here patiently just for the chance that I might be
able to hold you tight
And I want to know what makes your world go round
And I want to hear your voice for the sound
A love that defines all I've had in mind
Now I'm holding back nothing for the look in your eyes

Now time is all that we have
So won't you let me inside your perfect world for one night
Just open up for me
Girl I swear that I will be everything you've ever thought a man should be

And I want to know what makes your world go round
And I want to hear your voice for the sound
A love that defines all I've had in mind
Now I'm holding back nothing for the look in your...

I can see the way you're lookin' back at me
Oooh... Could it be that you see what you want to see
Just let your eyes believe it
I'll never lie to you, in my arms you will be, forever and I...
I'm holding back nothing for the look in your eyes
The look in your eyes...
