I'll Be There

RyanDan

You and I must make a pact We must bring salvation back Where there is love I'll be there

I'll reach out my hand to you
I'll have faith in all you do
Just call my name and I'll be there

I'll be there to comfort you And build my world of dreams around you I'm so glad I found you I'll be there with a love so strong I'll be your strength You know I'll keep holding on

Let me fill your heart with joy and laughter Togetherness Well that's all I'm after Just call my name and I'll be there I'll be there to protect you I'll be there with this unselfish love that respects you Just call my name and I'll be there

I'll be there to comfort you And build my world of dreams around you You know I'm so glad I found you I'll be there with a love so strong I'll be your strength You know I'll keep holding on

If you should ever find someone new You know he'd better be good to you Cause if he doesn't Then I'll be there Don't you know baby Yeah yeah I'll be there Just call my name and I'll be there

Yeah yeah yeah yeah I'll be there baby You know I'll be there Just call my name and I'll be there Just look over your shoulder

I'll be there baby You know I'll be there Just call my name and I'll be there Just call my name and I'll be there
