Get ready  
Get, Get, Get ready  
Get, Get ready  
Get, Get, Get ready  
See I've been in it for a minute  
Holding my spot down  
I ain't seein' no shit  
That could move a crowd  
I ain't seein' no shit  
That moves likes this  
I ain't seein' no shit  
Comin' on like this  
'Cause I'm a rider

And everything I just turn cut  
I came to school you dizzy ducks  
Like the games, I'm fun  
I'm too cool for my own shit  
Swag's outrageous  
My style's retarded  
I'm so contagious  
Holla Holla  
Come on let the drum play  
Holla Holla  
Come on let the drum play  
Actin' dumpy on the table top  
Let the drum play  
Actin' dumpy on the table top  
Let the drum play  
Holla Holla  
Come on let the drum play  
Holla Holla  
Come on let the drum play  
Actin' dumpy on the table top  
Let the drum play  
Actin' dumpy on the table top  
Let the drum play

See I've been down for a minute  
But I'm right on time  
It's gonna take two of me  
Just to steal my shine  
Check the streets and my stats  
If you think I'm lyin'  
And with a body like this  
You can sway, I'm wrong  
'Cause I'm erotic

And everything I just turn cut  
I came to school you dizzy ducks  
Like the games, I'm fun  
I'm too cool for my own shit  
Swag's outrageous  
My style's retarded  
I'm so contagious  
Holla Holla
