Bobby Steels keep steels concealed, be still
Leave you fifty shot banana clips with free refils
Guns bursting, one person is curtains for certain
Most often fill coffins, no nursing or surgeons
Is needed, bloods depleated, your body deleted
Like unsaved wav files, no way to retrive it
Best believe it, frosting the cat
I remember that, my moms put gunpowder inside my Similac
My brain is untamed, some claim, that's stunning strangers
Cause of my basement, I keep studios in gun ranges

Pizzeria rotisserie, burn MC's out they misery

Aiyo, Ghost, these niggas pussy, mind that take mine
I feel you, form on 'em, yeah, I ain't sharping nothing
I put it in they mouth, I have a nigga kiss the nine

Ya'll never committed crimes, your rap line forgery
Niggas want war, I invite all cordialy
They assed out morally, how they in skinny jeans
And never fix they mouth to even fucking go to war with me
Oh, that's how you feel, then handle that accordingly
Lay 'em out, bounce before the jake is even on to me
Lay back in the crib, your bitch give me orally
I don't want beef, I'm like Pookie, this is caling me
