RZA

Yes  
Aooow  
Sexy Stuff  
Aoo  
Oh Yeah!  
Definetly  
Oh Yeah

I got too many ladies, I got to learn to say no  
Ohh, We Love You Rakeem  
I got too many ladies, yo, I got to learn to say no  
Ohh, We Love You Rakeem, Ohh Rakeem

Time is moving slow, life is a drag  
This money to make ya, more girls to bag  
Fully aware, so I step upon the square  
Lookin for what? The cooty and the chair  
Flex and I flex on the opposite sex  
Hit 'em off quick and step to the next  
It's seems I'm a feem for a sex routine  
Love to hear them scream  
(Woman: Ohh Rakeem)  
And my response is "Oh"  
Always satisfy them, you know how I flow  
But since I'm not lazy, I'm buck wild and crazy  
I kiss the bussom, but never eat the daisies  
And my ladies love me deeply  
Because I'm handsome, charming and freaky  
And when they need me, they won't go  
And now I'm stuck, I should of said no

Ohh we love you Rakeem  
And I love you to  
Ohh we love you Rakeem  
Thank you  
Ohh we love you Rakeem  
Your far too kind  
Ohh Rakeem  
Gosh  
Ohh we love you Rakeem  
You feeling mutual love  
Ohh we love you Rakeem  
Oh do you?  
Ohh we love you Rakeem  
HmMMMMM  
Ohh Rakeem

When I walk down the block  
The girls stop and glock  
They hop on my jock  
Cause I got mad props  
Tall & slim with the brown skin confection  
Half them sweating my love and affection  
As I collect them, I must wan't to protect them  
Love them deeply, but never disrespect them  
I keep a tab on the large amount  
But sometimes I find myself losing count

Of Latika, Diane, Lisa  
Stephanie, Jackie, Teresa  
Sharonda, um um, Veronica  
Latasha, Sinthia & Monica  
Never the less, you must give respect  
To the femine queens that the God selects  
I love them all, but even though  
I'm rather happy, I should of said no  
But yet my ego gets in the way  
And always something that I'll never say  
I'd just bag them, keep 'em under my wing  
Put them in a posse, and et them sing

Do you  
Say it again baby  
Yes I like it  
Come on you can say it louder  
Cuz I love you all  
Thank you  
Rakeem Allah the greatest baby
