

All in Love Is Fair

S Club 7

Hmmm, yeah, yeah, yeah, yeah, yeah, yeah,
Aye, aye, aye, aye, yeah, aye
First he said he wouldn't leave me
What a fool to believe that line
Just another one of his obsessions
To help pass the time

Get it right, get it right, get it right
Don't get it wrong
Cos if you want me
Get your ass on over here and show me
Stop wasting time
And if you need me get your act together boy
And show me
You should be mine

All in love is fair
One of us will lose
Is it her or me
Is it me or you
Who's it gonna be
What you gonna do
Are you over me?
I'm not over you

Cos you said that you wouldn't cheat me
That our love was to last all time
She must have been a big exception
If you're not the cheating kind

Get it right, get it right, get it right
Don't get it wrong
Cos if you want me
Get your ass on over here and show me
Stop wasting time
Boy if you knew me
Baby you would never want to lose me
Make up your mind

All in love is fair
One of us will lose
Is it her or me
Is it me or you
Who's it gonna be
What you gonna do
Are you over me?
I'm not over you

You gotta take the good with the bad
The happy with the sad
But don't get mad if things don't go the way you planned
Just understand that real love is in demand
If you're ready for commitment girl just take my hand
If you get lucky love will be a cruise
There are so many roads
Which one ya gonna choose
But there's a risk ya know ya gotta take

No messing, a choice ya gotta make
The one cross you know you've gotta bear
All in love is fair

All in love is fair
One of us will lose
Is it her or me
Is it me or you
Who's it gonna be
What you gonna do
Are you over me?
I'm not over you

All in love is fair
One of us will lose
Is it her or me
Is it me or you
Who's it gonna be
What you gonna do
Are you over me?
I'm not over you

Can't wait another minute
Is it her or me doin' it?
Can't wait another minute
Is it her or me who's doin' it?
