

# Don't Stop Movin'

S Club 7

Don't stop moving to the pop pop beat  
Don't stop moving to the pop pop beat (yeah, c'mon)  
Don't stop moving to the pop pop beat (oh)  
Don't stop moving to the S Club beat

DJ got the party started, there's no end in sight  
Everybody's moving to the rhythm that's inside  
It's a crazy world, but tonight's the right situation  
Don't get left behind

I can feel the music moving through me everywhere  
Ain't no destination, baby we don't even care  
There's a place to be if you need the right education  
Let it take you there

It's gone with the magic baby  
I can see it there in your eyes (I can see it there in your eyes)  
Let it flow, stop the waiting  
Right here on the dance floor is where you gotta let it go

Don't stop movin'  
Can you feel the music  
DJ's got us going around, 'round  
Don't stop movin'  
Find your own way to it  
Listen to the music  
Taking you to places that you've never been before  
Baby now

Don't stop moving to the pop pop beat (oh)  
Don't stop moving to the S Club beat (yeah yeah yeah)

You can touch the moment, almost feel it in the air  
Don't know where we're goin', baby we don't even care  
Ain't no mystery, just use your imagination  
Let it take you there

It's gone with the magic baby  
I can see it there in your eyes (I can see it there in your eyes)  
Let it flow, stop the waiting  
Right here on the dancefloor is where you gotta let it go

Don't stop moving  
Can you feel the music

Don't stop moving

Don't stop moving to the pop pop beat (yeah, c'mon)

Don't stop moving to the S Club beat

Forget about your fears tonight

Listen to your heart  
Let's just touch the sky (listen to your heart)  
No need to reason why  
Just listen to the sound  
Let it make you come alive

Don't stop moving  
Can you feel the music  
DJ's got us going around, 'round (don't stop movin')  
Don't stop moving  
Find your own way to it  
Listen to the music
