

Gangsta Love

S Club 7

Stand out
Something about the way that you do it
So bottle it up, that way you won't lose it fall out

Big sound, dreamin' you up, I'm feeling so erratic
You're holding me down, I'm set to automatic
So loud

Soul apple in every bite
Whenever you're rubbin' dubbin'
Pineapple he's playing all night
He's the one, he's the one, baby

Day after day my MC, putting the rest to shame
Cos he'll be giving it gangsta, giving it gangsta love
Day after day my MC, gotta give up the name
Cos he'll be giving it gangsta, giving it gangsta love

Spaced out
Ready to take the seed of your intention
There's more than one thing that I forgot to mention
No doubt

Turn 'round, been checking you out and watching you undo it
Been pickin' it up and love the way you throw it all down

Soul apple in every bite
Whenever you're rubbin' dubbin'
Pineapple he's playing all night
He's the one, he's the one, baby

Day after day my MC, putting the rest to shame
Cos he'll be giving it gangsta, giving it gangsta love
Day after day my MC, gotta give up the name
Cos he'll be giving it gangsta, giving it gangsta love

You got me spaced out, wiped out
Gotta let me breathe
Cos I'm a gotta keep the peace
Gotta keep the peace
You got me spaced out, wiped out
Gotta let me breathe
Cos I'm a gangsta, gangsta, gangsta, gangsta love

Pineapple he's playing all night
He's the one, he's the one, baby

Day after day my MC, putting the rest to shame
Cos he'll be giving it gangsta, giving it gangsta love
Day after day my MC, gotta give up the name
Cos he'll be giving it gangsta, giving it gangsta love

Day after day my MC, putting the rest to shame
Cos he'll be giving it gangsta, giving it gangsta love
Day after day my MC, gotta give up the name
Cos he'll be giving it gangsta, giving it gangsta love
