

Hope For The Future

S Club 7

I'm out for the weekend
With nothing to do
I'm missing the good times
What about you
Now we could be lovers
Now we could be friends
Now we could do anything
We can pretend

Once upon a time
Don't you know I was wrong and you were right

Something's coming over me
Changed my mind now I can see
You're my hope for the future
Girl you know we've come so far
Don't let go and break my heart
You're my hope for the future

Back there in high school
Foolish and free
I never realised
How sweet it could be

Once upon a time
Don't you know I was wrong and you were right

Something's coming over me
Changed my mind now I can see
You're my hope for the future
Girl you know we've come so far
Don't let go and break my heart
You're my hope for the future
