Now now  
What a feeling  
You're the reason  
Can't conceive it  
You can't beat it  
You are viable  
To my survival  
Come and skydive  
Into my life

We're inseparable  
No one is acceptable  
Our love's indestructable  
Our bond is unbreakable

Let the feeling take control  
Now that I've got you baby  
Now that I've got you baby  
I'm feeling stronger  
Now that I've got you baby  
Now that I've got you baby  
I'm feeling stronger

All stand up  
Stand up  
Stand up  
Now  
All stand up  
Let the music take ya

Expectations  
No relation  
Superstition  
No addictions  
You're outrageous  
But contagious  
I'm the the viva  
That won't leave ya

Now we're inseparable  
No one is acceptable  
Our love's indestructable  
Our bond is unbreakable

Let the feeling take control

Now that I've got you baby  
Now that I've got you baby  
I'm feeling stronger

Now that I've got you baby  
Now that I've got you baby  
I'm feeling stronger
