

# Don't Steal Our Sunshine

S Club 8

Your Sunshine  
I, I wanna know  
Why can't you see what you're doing's  
Gonna come back and bit you in the butt  
I've had enough  
How can you do what you do?  
Do you think you can buy me?

I, I wanna see  
If we can turn this around  
And stick together like glue  
You and me  
Cause what happens now could last forever

We can't stand by and watch you steal our sunshine,  
Sunshine  
I just won't let you take it all away  
Sunshine  
So open up your eyes and see  
That money doesn't grow on trees  
Don't let them take your sunshine away

Your Sunshine

Stop! and listen up  
Don't say a word cause I'm bored of it  
We've gotta try and work it out  
Feet on the ground, just walk away from it  
Don't be so crazy

Now I wanna see  
If we can turn this around  
And stick together like glue  
You and me  
Cause what happens now could last forever  
I know, what's really going on  
There's no turning back,  
Cause once it's gone it's gone

We can't stand by and watch you steal our sunshine  
Sunshine  
I just won't let you take it all away  
Sunshine

We can't stand by and watch you steal our sunshine  
Sunshine  
I just won't let you take it all away  
Sunshine  
So open up your eyes and see  
That money doesn't grow on trees  
Don't let them take your sunshine away  
Sunshine  
Don't let them take your sunshine away
