

# Reach

## S Club Juniors

When the world leaves you feeling blue (Frankie)  
You can count on me  
I will be there for you

When it seems all your hopes and dreams (Jay)  
Are a million miles away  
I will reassure you

We've got to all stand together  
Good friends, there for each other  
Never ever forget that  
I've got you and you've got me so

Reach for the stars  
Climb every mountain higher  
Reach for the stars  
Follow your heart's desire  
Reach for the stars  
And when that rainbow's shining over you  
That's when your dreams will all come true

There's a place waiting just for you (Calvin)  
It's a special place where you dreams all come true  
Fly away (Calvin) Fly away (Frankie)  
Swim the ocean blue (Calvin) Swim the ocean blue  
Drive that open road  
Leave the past behind you (Calvin and Frankie)

Don't stop, gotta keep moving  
You're hopes have gotta keep building  
Never, ever forget that  
I've got you and you've got me so

Reach for the stars  
Climb every mountain higher  
Reach for the stars  
Follow your heart's desire  
Reach for the stars  
And when that rainbow's shining over you  
That's when your dreams will all come true

Don't believe in all that you've been told (Aaron)  
The sky's the limit you can reach your goal  
No one knows just what the future holds  
There ain't nothing can't beat  
There's the whole world at your feet, I said

Reach - climb every mountain (Frankie)  
Reach - reach for the moon  
Reach - follow that rainbow and your dreams will all come true

Reach for the stars  
Climb every mountain higher  
Reach for the stars  
Follow your heart's desire  
Reach for the stars  
And when that rainbow's shining over you

That's when your dreams will all come true
