S Club Juniors

Wherever you are  
Wherever you are

I feel you everytime my heart beats  
Our love grows stronger as the days go by  
You don't have to say that you love me  
We're good together cause we're two of a kind

And I  
I need you to light up my life  
I need you to keep me alive  
Wherever you are  
Whatever you do  
Every breath that I take  
I'll be thinking of me and you  
Wherever you go  
You know you're not alone  
So hold on and be strong  
Cause you know we're two hearts beating as one

So close there was nothing between us  
With every beat I feel you more and more  
I used to think paradise was beyond me  
But you brought heaven right to my door And I  
I need you to light up my life  
I need you to keep me alive  
Wherever you are  
Whatever you do  
Every breath that I take  
I'll be thinking of me and you  
Wherever you go  
You know you're not alone  
So hold on and be strong  
Cause you know we're two hearts beating as one

This is where you belong  
Because we're one in the same (you'll never be lonely)  
You are the reason I live  
The reason I'll never be lonely again

Wherever you are  
Wherever you are  
Wherever you are  
You know you're not alone  
You know you're not alone  
Wherever you are  
Whatever you do  
Every breath that I take  
I'll be thinking of me and you  
Wherever you go  
You know you're not alone  
So hold on and be strong  
Cause you know we're two hearts beating as one

Wherever you are  
Whatever you do  
Every breath that I take

I'll be thinking of me and you  
Wherever you go  
You know you're not alone  
So hold on and be strong  
Cause you know we're two hearts beating as one

You know I'm thinking of ya  
I'm always thinking of ya  
Every breath that I take  
I'll be thinking of me and you
