## You Are The One

## **S Club Juniors**

Have you ever had a friend that never let you down Right by your side every night and day Always hear you when you're calling Catch you when your falling Have somebody show you the way

It's okay Now I know There is a love for everyone I will go on With you here By my side

You are the one I wanna love You are the one I'm dreaming of Whenever I'm down and feeling lonely You are there to hold me With you all my troubles are gone

You are the one I wanna love You are the one I'm dreaming of Whenever I'm down and feeling lonely You are there to hold me With you all my troubles are gone

You are

Have you ever had a dream or a fantasy Do you believe that love will come your way Always there to see you smiling Hold you when you're crying Tell you everything is alright

It's okay Now I know There is a love for everyone I will go on With you here By my side

You are the one I wanna love You are the one I'm dreaming of Whenever I'm down and feeling lonely You are there to hold me With you all my troubles are gone

You are the one I wanna love You are the one I'm dreaming of Whenever I'm down and feeling lonely You are there to hold me With you all my troubles are gone

With you all my troubles are gone

And if you ever need me There's nothing I wont do Believe me it's true You are the one (oh yeah) My only one (my only one) I do believe (I do believe, yes I do) In you and me (oh yeah)

You are the one I wanna love You are the one I'm dreaming of Whenever I'm down and feeling lonely You are there to hold me With you all my troubles are gone

You are the one I wanna love You are the one I'm dreaming of Whenever I'm down and feeling lonely You are there to hold me With you all my troubles are gone

You are
