Oh wiggidy 4 weeks have passed and you gave me your confession
Baby don't get me wrong but I can't feel your sensation
Don't wanna break you heart I only can't understand
How you could be taking love so quickly and so easy BAM!
Nonsense, nonsense, baby this is nonsense!
You be taking love so easily when you don't even feel tense
Wishing you could understand the way I'm feeling
Feeling of passion that my heart's still chillinRap
