

I used to be the girl
Nobody believed
Used to live inside a world
No one ever sees
And when the other girls
Ran around in town
I had my only friend
Buggin' me around

Girl you got to get yourself
A rude attitude
Why should I believe in you

Cause you can do what you like
If you dig what you do
Your life will be better that way
Yeah you can do what you like
If you dig what you do
Let nobody get in your way

Do what you wanna do
Do what you wanna do

I remember just how it used to be
How bad I used to feel when they looked at me
Girl you got to be like me like
If you wanna hang
I won't let it happen it again

Cause you can do what you like
If you dig what you do
Your life will be better that way
Yeah you can do what you like
If you dig what you do
Let nobody get in your way

Do what you wanna do
Do what you wanna do

Do what you like
