

Romeo And Juliet

S.O.A.P.

[Chorus]
It's a lot like Romeo and Juliet
It feels like
Something's happening to me
It's a lot like Romeo and Juliet
It feels like
Something's happening to me
Romeo and Juliet

In the summertime, I met a guy
He was so fine
He blew my mind
My friends are telling me
Girl, he's a loser
But they can't see

[Chorus]

Romeo and Juliet
Romeo and Juliet

Hallo
From the first time I saw his eyes
There was sunshine
Every time
He walks into the room
I feel my heart go boom, boom, boom

[Chorus]

Romeo and Juliet
Romeo and Juliet

There was a time when I was young
And love - it felt so strong
Now it comes back to me
What's going on?

It's a lot like Romeo and Juliet
It feels like
Something's happening to me
It's a lot like Romeo and Juliet
It feels like
Something's happening to me
It's a lot like Romeo and Juliet (du, dap, dap, duuu, dap, dap)
It feels like (du, dap, dap)
Something's happening to me (duuu, dap, dap)
It's a lot like Romeo and Juliet (du, dap, dap, duuu, dap, dap)
It feels like (du, dap, dap)
Something's happening to me (duuu, dap, dap)
It's a lot like Romeo and Juliet
It feels like
Something's happening to me
