

Stand By You

S.O.A.P.

I only wanna be with you
I only wanna be with you

Damn you
I think I can feel something special going on
Something that has happened between us
I feel more than you could ever imagine
It's so clear
I want you to know

I'm gonna stand by you
If you want me to
I'm gonna stand by you
If you want it tonight
I will stand by you
Cause I wanna be with you
I'll stand by you
Stand by you

Stand by stand by you
Stand by stand by you

I only wanna be with you
I only wanna be with you

Damn you
Don't you know we're so good together
Us two
Nothing's gonna come in between us
I know
We'll go in two different directions sometime
But you will always be on my mind

And if you think you ain't got nobody
I just want you to know

I'm gonna stand by you
If you want me to
I'm gonna stand by you
If you want it tonight
I will stand by you
Cause I wanna be with you
I'll stand by you
Stand by you

Stand by, stand by you
Stand by, stand by you
