

## Douche Crew (D.C.)

S.O.D.

Why do you play so fast...to be cool?  
If you think you'll last...you're just fools  
You try to be something...that you're not  
And all you do is fill our ears...with rot  
You claim to play hardcore  
Well that's a bunch of shit  
You're just a bunch of snot nosed kids  
A real group of tits  
You make your bed you lay in  
I bet it's made of shit  
You think you're all so macho  
I bet you all have clits

You're just a douche crew  
You're just a douche crew  
You're just a douche crew  
You're just a douche crew

We offered you our hands  
Yu just turned your backs  
You're just a bunch of poser douchbag  
Faggot, dickless, hacks  
Wearing all their douchy clothes  
They like to watch each other pose  
They're all the same, so fuckin' lame  
We'll shove their spikes right up their holes

You're just a douche crew  
You're just a douche crew  
You're just a douche crew  
You're just a douche crew
