

I'll always remember
It was late afternoon
It lasted forever
And ended so soon, yeah

You were all by yourself
Staring up at dark gray sky
I was changed ...
In places no-one would find
All your feelings so deep inside (deep inside)
Was them that I realized
That forever was in your eyes
The moment I saw you cry ...

The moment I saw you cry ...

(The moment I saw you cry ...)
(The moment I saw you cry ...)

In places no-one would find ...
In places no-one would find
All your feelings so deep inside
(Forever was in your eyes)
Was them that I realized
That forever was in your eyes
The moment I saw you cry
I wanted to hold you
I wanted to make it go away
I wanted to know you
i wanted to make your everything, alright
It was late in September
And I'd seen you before
You were always cold one
But I was never that sure
You were all by yourself
Staring up at dark gray sky
I was changed ...
In places no-one would find ...
In places no-one would find
All your feelings so deep inside
(Forever was in your eyes)
That forever was in your eyes
The moment I saw you cry
I wanted to hold you
I wanted to make it go away
I wanted to know you
i wanted to make your everything, alright.
