

Oh-ooh-oh-ooh  
I want a Hentai girl for me to make me happy  
I want her so I can stop using my hand  
Every single day, while watching anime  
I'd pull her from my screen just like in my dreams  
I want feel her touch, mainly on my crotch  
I want my own hentai girl  
and she would sing  
La-la-la-la [x46]

Masturbate to cartoons!

And she would sing  
La-la-la-la [x46]
