

The dawn of century a boy born by a lake  
Resettled from Karelia's plains  
Grown to a man in exile as the Great War came  
Unleashed a shadow on his world

Oh no, oh no, who knows his name?

Inmate in hell or a hero imprisoned?  
Soldier in Auschwitz, who knows his name  
Locked in a cell, waging war from the prison  
Hiding in Auschwitz, who hides behind 4859?

Outside help never came decided to break free  
The end of April '43  
Join the Uprising, fight on the streets while hiding his rank  
Takes command all while serving his country in need

Oh no, oh no, who knows his name?

Inmate in hell or a hero imprisoned?  
Soldier in Auschwitz, who knows his name?  
Locked in a cell, waging war from the prison  
Hiding in Auschwitz, who hides behind 4859?

Sent to a prison where the heroes are judged as traitors  
Accused of treason by his own  
Sentenced by countrymen under pressure of foreign influence  
Men he once fought to free

Inmate in hell or a hero imprisoned?  
Soldier in Auschwitz, we know his name  
Locked in a cell, waging war from the prison  
Hiding in Auschwitz, he hides behind 4859!
