1. You're in for a suprise, you're in for a shock.
In long gone tall streets,
where there is darkness and fog.
I'm going down, all the way down,
Up on the highway to hell from here!
Blessed by the night, holy and bright
Called by the toll of the bell.
Oh, Mr. Crowley did you talk to the dead?
Sleep with the devil, and then you must pay!

R: In the land of the damned,
Come on in child take my hand!
(hear the rising force)
Watch the devils the damned,
they're gonna break the chains
Through the night
(you cant hear them)

2. Twisting you mind, a smash in your dreams.
blinded by me you cant see a thing!
Torches blazed and sacred chants were phrased
Blood on your face you big disgrace!
Strand of silver hanging through the sky,
Touching more than you can see.
Appears like a wonder, without any move,
Can i get close, closer to you?

R: In the land of the damned...

All aboard, hahahahaha.

R: (2x)
