

Send them over the waves  
Our sentinels  
They report in the news  
Position of our foes

This battlefield's been chosen,  
tactically in advance  
Time to alert our fighters  
We're soon in range

Midway  
We'll meet at Midway  
Naval War

Calling all men to deck  
Got to be airborne  
Head out into the sun  
Decending on our foes

This is the crucial moment, in the heat of the war  
To fly and hit our targets  
Down in the waves

Midway  
Display their might,  
ordering carriers, admirals at war  
We'll meet at Midway  
To win the fight,  
tactics are crucial, naval war

Far from shore, a pacific war  
bombs are falling from the skies  
Its a bombrun day, it the naval way  
A bloodred sun is on the rise
