

Night Witches

Sabaton

From the depths of Hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless vision, undetected

Pushing on and on, their planes are going strong
Air forces number one
Somewhere down below, they're looking for the foe
Bombers on a run

You can't hide, you can't move, just abide
Their attack's been approved
(Raiders in the dark)
Silent through the night, the witches on the flight
(Never miss the mark)

Canvas wings of death
Prepare to meet your fate
Night Bomber Regiment
588

Undetected, unexpected,
Wings of glory, tell the story
Aviation, deviation,
Undetected, stealth perfected

Foes are losing ground
Retreating to the south
Death is in the air
Suddenly appears
Confirming all your fears
Strike from witches lair
Target found, come around
But no sound from the battleground
Axis aiming high
Rodina awaits, defeat them at the gates
Live to fight and fly

Canvas wings of death
Prepare to meet your fate
Night Bomber Regiment
588

Undetected, unexpected,
Wings of glory, tell the story
Aviation, deviation,
Undetected, stealth perfected

Beneath the starlight of the heavens
Unlikely heroes in the skies
(Witches to attack, Witches coming back)
As they appear on the horizon
The wind will whisper when the Night Witches come!

Undetected, unexpected,
Wings of glory, tell the story
Aviation, deviation,

Undetected, stealth perfected

From the depths of Hell in silence
Cast their spells, explosive violence
Russian night time flight perfected
Flawless vision, undetected!
