

Resist and Bite

Sabatón

War is coming swiftly
The border is closing in
We're a company of soldiers
We're 40 rifles strong

All alone
Stand alone

Ardenner ground is burning
And Rommel is at hand
As the Blitzkrieg's pushing harder
The war is all around!

All around
Hold your ground!

Fight all 18 days of battles
No odds are on our side
Few will fight for all until the bullets are gone

We!
We will resist and bite!
Bite hard!
Cause we are all in sight!
We!
We take up arms and fight!
Fight hard!
Resist and do what's right!

No matter our fighting
The numbers will still count
We're outgunned and few in numbers
We're doomed to flag or fail

We fought hard
Held our guard

But when captured by the Axis
and forced to tell the truth
We will tell them with a smile
We will surprise them with the laugh

We are all
We were all

We were told to hold the border
And that is what we did
Honored were our orders
In despite of our foe

We!
We will resist and bite!
Bite hard!
Cause we are all in sight!
We!
We take up arms and fight!
Fight hard!

Resist and do what's right!

Gloria fortis miles
The Wehrmacht closing in
Adversor et admorsus
The Boar against the eagle
Gloria fortis miles
The Wehrmacht closing in
Adversor et admorsus
The boar against the eagle!

We!
We will resist and bite!
Bite hard!
Cause we are all in sight!
We!
We take up arms and fight!
Fight hard!
Resist and do what's right!
