

Soldier of 3 Armies

Sabatón

Started out as a reserve
Soon promoted well deserved
And the legend has begun!
With a bounty on his head
The Red Army wants him dead
Soviet enemy number one!

Cross of Mannerheim
Addicted to the war game
Never-ending flame
Victory reclaimed

Oh we remember, we remember,
We remember!

Shout Lauri Törni's name!
A Soldier of Three Armies knows the game,
Deeds that echo from the past!
Rise from beyond your grave,
Son of Finland and a Green Beret!
May you rest in peace at last!
Lauri Allan Törni!

Crossed the water, a new start
War still beating in his heart
A new legend has been born!
Started out as a reserve
Soon promoted well deserved
Changed his name to Larry Thorne!

Cross of Mannerheim
Addicted to the war game
Never-ending flame
Victory reclaimed

Oh we remember, we remember,
We remember!

Shout Lauri Törni's name!
A Soldier of Three Armies knows the game,
Deeds that echo from the past!
Rise from beyond your grave,
Son of Finland and a Green Beret!
May you rest in peace at last!

From the Finnish lakes
Into Germany and USA
All the wars he came across
Cross of Mannerheim,
An Iron Cross, a Bronze Star, Purple Heart,
One Distinguished Flying Cross

Shout Lauri Törni's name!
A Soldier of Three Armies knows the game,
Deeds that echo from the past!
Rise from beyond your grave,
Son of Finland and a Green Beret!

May you rest in peace at last!
