

## Soldier of 3 Armies

Sabatón

Started out as a reserve  
Soon promoted well deserved  
And the legend has begun!  
With a bounty on his head  
The Red Army wants him dead  
Soviet enemy number one!

Cross of Mannerheim  
Addicted to the war game  
Never-ending flame  
Victory reclaimed

Oh we remember, we remember,  
We remember!

Shout Lauri Törni's name!  
A Soldier of Three Armies knows the game,  
Deeds that echo from the past!  
Rise from beyond your grave,  
Son of Finland and a Green Beret!  
May you rest in peace at last!  
Lauri Allan Törni!

Crossed the water, a new start  
War still beating in his heart  
A new legend has been born!  
Started out as a reserve  
Soon promoted well deserved  
Changed his name to Larry Thorne!
